## ***SUBMISSIONS & PROPOSALS***

### **INDIVIDUAL SUBMISSIONS**

Thank you for your interest in publishing your work in *Social Justice*.

*Social Justice* is a refereed journal, and each submission is anonymously reviewed by two referees. Publishing decisions are made within 90 days. To submit an article, you may use our online submission form (at [www.socialjusticejournal.org](http://www.socialjusticejournal.org)) or send the following documents to [socialjust@aol.com](mailto:socialjust@aol.com):

- (1) A copy of your article. To facilitate the review process, the manuscript should not include the author's name or institutional affiliation.
- (2) A cover letter including an abstract of 100 words, up to eight keywords, and a brief biographical sketch with affiliations, complete postal and e-mail addresses, and phone number. The cover letter should confirm that all authors have agreed to the submission and that the article is not currently being considered for publication by any other journal.

Articles should not exceed 8,000 words including footnotes and references; commentaries and issue pieces should be 4,000 words, and book reviews 1,000 to 2,000 words.

For usage guidelines, please refer to the *Chicago Manual of Style* (15th or 16th edition); our dictionary of reference is the *Merriam-Webster*. Please consult our website for specific format guidelines. If you have additional questions, do not hesitate to contact us at [socialjust@aol.com](mailto:socialjust@aol.com).

### **SPECIAL ISSUE PROPOSALS**

We welcome your ideas for future special issues of *Social Justice*.

Please send us a few paragraphs that describe the general contents and purpose of the issue, along with a potential list of contributors and a short abstract for each article. The Editorial Board will consider your proposal and we will send you a determination.

The issue length should be 5-6 articles, each 7,000–8,000 words long (commentaries can be half that length), plus an introduction. We request that each article be evaluated by two reviewers: yourself, as the issue editor, and an external reviewer agreed upon with us. You will be responsible for editing and sending us the final copy of each article. We will do a final editing and will send proofs to the authors for revision and approval.

If you have additional questions, please contact us at [socialjust@aol.com](mailto:socialjust@aol.com).
